do I get the feeling that I'm being ignored ?
Mumble Mumble

Come out,
Jung Haein
*sfx: slow movement
I don't want to waste time,
so hurry up...
*sfx: dramatic soundeffect
Ahn Dongmin...
DAMN...

*Sfx peak
For god's sake....
Did ya really wanna become jjang that badly...? Fer cryin' out loud, Daeyong...
Fine.... I get it.
If that's the case....
so be it, Daeyong...

I'll assist you if nothing else.
Fine, Ahn Dongmin... Let's do it
sfx: crack crack
sfx: dash
sfx: whoosh
sfx: evade

*sfx. evade
*sfx. swish
sfx. pow
*sfx. pew

So fast...
Hmph... Not bad.
끄덕
끄덕
Quick reflexes... and each punch seems strong...
*sfx nod nod
But if that's all you've got...
씨익
you're no match for me...
*sfx grin

sfx: weash
sfx: pow
sfx: puzzle
Really... that's some bad taste...
LOL

He's provoking his opponent as he fights...
The one being provoked must feel like shit.
sfx: Whams
Ughh
sfx: Huff
He's driving me crazy...
It feels like I can land a punch... but I can't...
sfx: spit

I didn't expect to win in the first place...
but for the difference between us to be this much...!
sfx: kick
sfx: tap

...it's the same as back then...
sfx: girl

He doesn't display overwhelming strength... He leaves behind the feeling that his opponent may be able to do something...
but in the end, they just can't...

I thought that if I damaged either Hwang Ingyu or this guy...
I might help Daeyong a little...
but is that no longer possible...?
Give up already...
You'll only hurt yourself...

...
sway sway
sway sway
sway sway
sway sway
sfx: sway sway
sfx: lift
Don't make me laugh, Dongmin...
I have pride as well
...
I see

!!
If that's the case...
Hoooh~
Good work... Jung Haein

those two?
Think you can take them?
Hmph!

UGHH...

I already have reason enough to do this...!
Alright then,

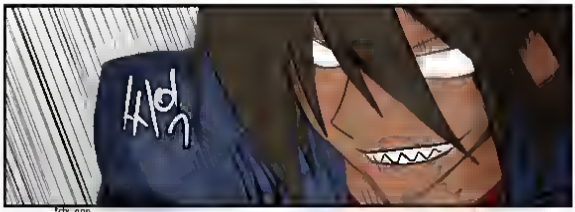
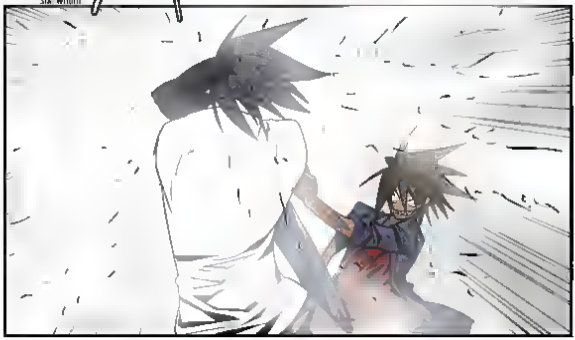
*sfx: swing



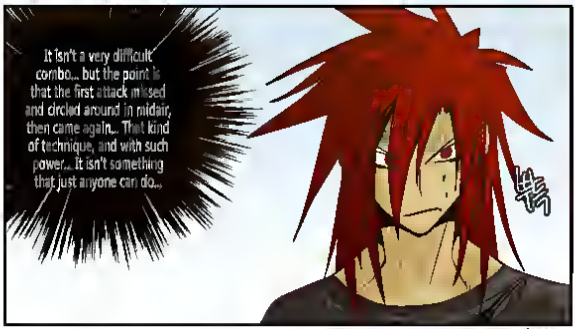
*stx: ann

*stx: wham



Wh... what was that?!
*sfx: wpah

First a spin kick, followed by a roundhouse kick...



It isn't a very difficult combo... but the point is that the first attack missed and circled around in midair, then came again... That kind of technique, and with such power... It isn't something that just anyone can do...
sfx: gnt

This isn't over yet.

SFX. swoosh
It's been fun, Ahn Dongmin.

"One punch", or whatever it's called is pretty much pointless now..
but considering your pride...

with this
I'm very grateful...

Shall we wrap it up?
It isn't a very good feeling.
